

SCENARIUSZ

Grupa docelowa: uczniowie klasy czwartej

Czas potrzebny na ćwiczenie: 20 minut.

Cel: uczniowie potrafią zapytać i podać czas kiedy odbywa się czynność.

1. Uczniowie ćwiczą dialog w którym pytają i odpowiadają na pytania.

Uczniowie pracują w parach. Każdy z uczniów otrzymuje kartę pracy A lub B. Ich zadaniem jest uzyskać informację od kolegi na temat kiedy dana osoba wykonuje konkretną czynność.

Zadają pytania:

A: What time does Tim get up.

B: At half past six.

etc.

Uzupełniają diagram uzyskanymi informacjami.

2. Uczniowie losują kartki z zawodami. Czytają po cichu swój tekst, uzupełniają w diagramie informacje na temat wylosowanego zawodu. Mają wpisać cyfrą o której zaczynają i kończą pracę, jedzą śniadanie czy lunch, o której idą spać. Następnie przemieszczają się po klasie wypytyując kolegów i koleżanki o ich rozkład dnia. Ich zadaniem jest znalezienie osoby, która ma taki sam plan dnia.

Zadają pytania:

A: What time do you have lunch?

B: At twelve o'clock?
